Despite everything she has been through, Julia continues to stay strong and is determined to keep fighting.

Leonard Hall, a graduate of Clearview Regional High School (2012) and a graduate of Rutgers University (2016) with a degree in Criminal Justice, is in need of a heart transplant. On July 1st, 2020, Leonard underwent emergency heart surgery to receive a LVAD and pacemaker. With the financial burden of transportation, medicine, rent, and food, we are in need of any help at this point in time. Leonard continues to receive treatment at Temple Hospital.
